ARRANGEMENTS FOR POOLSIDE SUPERVISION

Please cross **one** of the following options and fill in the appropriate details:

X	OPTION
	Please supply a Poolside Pass for _____ (<i>insert name</i>), to allow me to accompany my swimmer(s) poolside in each session that they will be attending, at a cost of £5 per session or £12 per full day. If supervising just my own swimmer(s): I understand that I will need to be a registered member of Swim England (via my club), and will also need to provide a DBS certificate (dated within the last 3 years) and evidence of having completed Swim England's safeguarding training either with this application or no later than 14 days before the first day of the meet. If also supervising other individual swimmer(s): I understand that (in addition to the above) I will also need to provide evidence of a Team Manager qualification.
	I have arranged for _____ (<i>insert name</i>) to supervise my swimmer(s) poolside and so I do not require a Poolside Pass for myself. The named individual is eligible for a Poolside Pass (see row above) and is applying for one separately. They are known to me and have agreed to take responsibility for my child's welfare and conduct. I have considered the suitability of these arrangements, taking account of my child's welfare and safeguarding needs.
	I do not require a Poolside Pass. Please allocate me ONE / TWO (<i>delete as applicable</i>) seat(s) in the spectator seating area, immediately behind the area where my swimmer will be located poolside, at a nominal charge of £1 per seat per session. I understand that I will not be able to accompany my swimmer poolside and have considered the suitability of these arrangements, taking account my child's welfare and safeguarding needs. I understand that I must take responsibility for the welfare and conduct of my swimmer.
