Junior & Intermediate Squads have completed their fundraising projects and have raised a staggering £805.60.

## Atlantis Fundraising

This is another phenomenal effort by our members and we are so very proud of you all.

They kicked off their fundraising with a second hand kit stall that raised £358.60 and then on a gloriously sunny Saturday morning the squads (and many parents!) braved the heat and completed a 5k sponsored park 'fun' run, this raised an incredible £402.

***each and every one of you absolutely smashed it!***

Another thank you to all the family and friends who supported their swimmers. Seeing their faces at the end, knowing they've completed this challenge, meant so much! We are so proud of you all for getting involved and the great team spirit. #swimfamily
