Junior Fenland League – Round 3 Recap

A big well done to all swimmers who took part in Round 3, hosted at home against Ely, Huntingdon, and March 'Pink'. It was an exciting evening, with a close contest between St Ives and Ely – Ely just edged the win.

The team showed fantastic determination and spirit throughout. With one preliminary round to go before September's finals, St Ives is currently tied for 4th with March 'Blue'. The next round will determine whether we make the 'A' or 'B' final. Best of luck to everyone in the upcoming round - we're right behind you!

Swimmer Spotlight – Farewell to Cathy Thompson

This month, we say a fond farewell to Gold Shark swimmer Cathy Thompson, who is retiring after an incredible 17 years

with St Ives Swimming Club. Cathy has competed at all levels, both individually and in team events, and has been a shining example of dedication, discipline, and team spirit. She's inspired countless younger swimmers and been a true asset to our club.

Her positive impact goes far beyond the pool, and she'll be greatly missed by teammates and coaches alike.

Thank you, Cathy
We wish you all the very best for the future!

These sessions are a great way to stay active over the summer and ease back into training ahead of the autumn season. We look forward to seeing many of you there!
