WREXHAM SWIMMING CLUB

Introduction to Wrexham Swimming Club

Wrexham Swimming Club, based at Waterworld Leisure & Activity Centre, Holt Street, Wrexham LL13 8DH, in the centre of Wrexham in North Wales, is a Welsh swimming club that has been established for over a hundred years.

The club currently has approximately 190 squad members. We are a competitive, inclusive swimming club that caters for all types of ability from junior level, skill development and performance level at Welsh and UK national level.

We have been successfully organising Swimming Galas for the last 18 years and teams from all over the Country regularly attend our Galas and return year after year.

Facilities at Waterworld Leisure & Activity Centre

Waterworld has a 25 metre, six lane, deck level pool with a large changing village.

The Pool has a large spectator area with easy access and good café facilities. The pool itself is in the town centre of Wrexham with easy access to the shopping centre and markets.

The Leisure & Activity Centre is easily accessible for those with mobility issues and there is ample car parking spaces around the Centre, with long stay parking, within easy walking distance.

General Gala Information

All our Galas are run under FINA Technical Rules & Swim Wales Laws.

We operate Colorado Timing equipment and have an LED scoreboard.

In 2018 we took delivery of new diving blocks which have adjustable footrests and backstroke start wedges.

We can accept entries electronically using Hy Tek Meet Manager or manually. Please note that the entry fees are less if entered electronically (see below).
